

# Gift Budget Challenge #1: Price Tag Match — “\$10 Classroom Shop!”

**Age Group:** Elementary (K–5)

**Skills:** Budgeting, addition, comparing numbers, decision-making

**Theme:** Classroom “store” with pretend items and price tags

Directions: Students pretend to shop in a mini classroom store, but they must stay within (or exactly reach) a **\$10 budget**. The challenge: **Match items to price tags** and build combinations that fit the \$10 spending limit.

\*You may need to print multiples of each sheet
